### What We Do

The Salvation Army meets human need wherever, whenever, and however we can.

Assess The Need

FIRST, we assess the needs of each community in which we serve. We work to understand the obstacles, hardships, and challenges native to the area's particular population.

Build the Programs

NEXT, we build local programs designed to offer immediate relief, short-term care, and long-term growth in the areas that will best benefit the community.

Invest in the Community

THEN, we offer the local programs to the local community, working to continually optimize their efficacy via spiritual, physical, and emotional service.

### The Salvation Army Mission Statement

The Salvation Army, an international movement, is an evangelical part of the universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.
